

Do you suspect irregularities?

Regnskogsföreningen considers all kinds of irregularities seriously and we do our best to counter this.

If you collaborate with Regnskogsföreningen and suspect irregularities, such as corruption or sexual harassment, within Regnskogsföreningen or among those who receive grants from the organization: We urge you to inform us of the situation.

First of all, we would like you to contact our chair of the board, Mikael Stenberg (mikaelstenberg@hotmail.com). If you are not comfortable with that, you can contact our contact person bjorn.mollersten@telia.com. You can find his phone number on our website.

We will investigate irregularities within a reasonable time and ensure that any irregularities are corrected. We will also determine how such behavior can be prevented from happening again. If you do not want to use your name, you can create an email address that does not reveal who you are.

We will get back to you, if possible, both when your report has been received and after investigation.
